IN RE: XO NETWORK SERVICES, INC.	DOCKET NOS. TF-04-15 TCU-03-17
	CERTIFICATE NO. 0280

CERTIFICATE

(Issued April 13, 2004)

On December 17, 2003, the Utilities Board (Board) issued an order in Docket No. TCU-03-17 approving the application for a certificate of public convenience and necessity, pursuant to Iowa Code § 476.29, to XO Network Services, Inc. (XO). In the order, the Board stated that XO would be issued a certificate when it had an approved tariff on file with the Board.

On January 15, 2004, XO filed a proposed local exchange tariff. Revisions to the tariff were filed on March 18 and 31, 2004. The proposed tariff and its revisions, identified as Docket No. TF-04-15, contain the terms, conditions, and rates for XO's local exchange service. An order approving the proposed tariff and issuing a certificate is being issued concurrently with this certificate. Since XO will have an approved tariff to provide local exchange service, the Board will issue Certificate No. 0280 authorizing XO to provide local exchange service in the listed exchanges.

IT IS THEREFORE ORDERED:

This certificate of public convenience and necessity, issued pursuant to Iowa Code § 476.29(1), authorizes XO Network Services, Inc., to furnish local telephone service in the exchanges as shown by its tariffs as currently and subsequently approved.
